Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent(s), legal guardian(s), or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for sanctions against the parent(s), guardian(s) and/or trainer(s) who are responsible for the child committing the offense. Penalties may include exclusion of the child, parent(s), guardian(s), and/or trainer(s) from the competition grounds for the remainder of the competition and charges being filed against any of the above individuals in accordance with Chapter 6. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

The parent/guardian or authorized agent shall assume all responsibility to protect juniors from any injury, damage, harm and/ or loss and shall indemnify, defend and hold CDS, the facility, show management and volunteers harmless therefrom.

HELMETS
From the time horses are officially admitted to the competition grounds by competition management, anyone mounted on a horse at any time on the competition grounds, including non-competing riders, riders on non-competing horses, and those competing in all classes and tests, including Para-Equestrian tests, must wear protective headgear as defined by this rule and otherwise in compliance with GR801. Any rider violating this rule at any time must immediately be prohibited from further riding until such headgear is properly in place. Protective headgear is defined as a riding helmet which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. The harness must be secured and properly fitted. CDS, Show Committee, and Licensed Officials are not responsible for checking headgear worn for such compliance. CDS makes no representation or warranty, express or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries.

CDS ANIMAL WELFARE STATEMENT

The California Dressage Society, an organization of approximately 4,000 individual members, supports the concept of humane and ethical treatment of all animals.

Dressage is a classical method of the training of horses in which the horse's natural responses and athletic abilities become a capable responsive partnership with the rider.

To this end the California Dressage Society is committed to ensuring that owners, trainers, exhibitors and their agents use responsible care in the training, handling, transportation and exhibition of horses.

The California Dressage Society supports scientific research on equine health and stress.

The California Dressage Society is committed to the continuous review, revision and development of competition rules and regulations to protect the welfare of horses.

The California Dressage Society firmly believes that horses are a vital part of its members' life experience and as such deserve our protection and compassion. Humans have an inseparable relationship with the natural world and animals. Furthermore, humanity is accountable to a set of laws and concepts that is uniquely a product of human society. Animals cannot be subject to those laws and concepts and therefore do not have the rights of humans.

Humans are responsible for providing adequate food, water and shelter for horses. CDS supports management and training practices which promote health, prevent disease and protect horses from unnecessary pain and injury.

CDS believes that Dressage Competition is the ultimate test of training to determine the development of harmony between horse and rider. All sanctioned CDS competitions and events will be conducted under the organization's rules regarding the well-being and welfare of horses.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

Anyone interested in having a pony measured by the Technical Delegate at a three star show, recognized by USEF/USDF/CDS, must make arrangements with the on-call veterinarian to come to the show to participate in the measurement. If the on-call veterinarian cannot come to the show to measure, the show will in no way be held responsible or liable. All expenses for pony measurement are the responsibility of the competitor.

ENTRIES
All recognized shows in this Omnibus will accept entries on a First-Come, First-Served basis. Entries are

not considered complete until all signatures are complete, memberships are verified and payment is complete.

MEMBERSHIPS

CALIFORNIA DRESSAGE SOCIETY: MEMBERSHIPS
Rider & Owner * must be Active Members of CDS in good standing at the time the score is earned, in order to qualify for any CDS Awards Program. This includes qualifying scores for the CDS Annual Championships and the CDS Junior/Young Rider Championships and Regional Adult Amateur Competitions. Scores acquired before payment of CDS dues for the year WILL NOT BE COUNTED. Paying the NON-MEMBER FEE(S) at a show will NOT make either the Rider or the Owner a member for the day - the scores earned will not count. * For In-Hand Awards, the Owner of the horse must be a member in good standing in order for the horse to qualify for awards.
$15.00 Non-member fees will be required for all non members at CDS-ONLY recognized shows. No non-member fee will be required at USEF/USDF recognized shows.
$25 Horse/Rider Nomination Fee Due for JR/YR Championships, CDS Championships, and RAAC before the closing date and sent to the CDS Central Office.
CDS offers an optional Performance Horse Registration.

CDS HORSE PERFORMANCE REGISTRATION
Horse, Owner, and Rider must be current CDS members in good standing at the time scores are earned. Horse Performance Awards are based strictly on the scores a horse achieves over time and need not be earned in one year. These Awards may be earned at any level, Training through Grand Prix. Horse Performance Awards may also be earned in any young horse class. Horse Registration is optional and need only be applied for if you want to earn Horse Performance Awards. A horse does not have to be registered with a breed registry to be registered with CDS. Registration available online.

UNITED STATES DRESSAGE FEDERATION: MEMBERSHIPS AND HORSE REGISTRATIONS
Membership statement on page XXX. Every owner and rider participating in non-exempt dressage classes must have either a USDF non-member identification card or a USDF (group, business, or participating) member card. Application for Participating Membership and non-member identification may be submitted at competitions. Participating or Business membership for Rider and Owner is MANDATORY for those who wish to participate in the GreatAmericanInsurance/USDF qualifying classes, USDF Year End Awards, and All Breed programs. Group membership (through membership in CDS) suffices for the Rider awards. There is a USDF non-member fee of $35 per rider, per owner, per competition. (Opportunity Classes exempt).

A HORSE IDENTIFICATION NUMBER (HID) or a USDF lifetime horse registration is required for all horses competing in any USDF/USEF recognized dressage competition or open (dressage or DSHB) class at a USDF/USEF recognized regular or local competition. Exceptions: Horses competing only in breed restricted dressage or DSHB classes at regular competitions (i.e., all Arabian or all Morgan classes); horses competing only in Opportunity classes, USDF Intro, pas de deux or quadrille; riders competing only in leadline, exhibitions, games, races, 4-H, walk-trot, academy classes and IPEC.

HID or lifetime horse registration may be applied for at any USDF/USEF competition. The $25 cost of an HID number can be applied to lifetime registration at a later date.

LIFE REGISTRATION is MANDATORY to compete in USDF/GreatAmericanInsurance Qualifying classes. It is also MANDATORY for USDF Horse of the Year, All Breeds and USDFBC Finals. It is your responsibility to obtain the appropriate registration for your horse. Life Registration is $95.

UNITED STATES EQUESTRIAN FEDERATION: MEMBERSHIPS AND HORSE REGISTRATIONS
Please read the USEF Membership Statement on page XXX. Note that the rule applies to HANDLER, RIDER, DRIVER, OWNER, LEASEE, AGENT, COACH, TRAINER. At the time of application, Amateurs must sign the Amateur declaration. If you are not a member, you will have to pay a $45 Show Pass fee to compete at EACH show.

There will be no charge for USEF Horse ID Numbers that are issued via the internet to members of USEF or its affiliates for: 1) horses that are life recorded, registered or otherwise identified or listed with a USEF discipline affiliate, or 2) horses registered with a USEF breed affiliate. Horses not meeting the above criteria must have a completed Identification Certificate submitted with the application for a Horse ID Number before a number will be issued. USEF Annual or Life horse recording is MANDATORY for those who wish to participate in GreatAmericanInsurance/USDF Qualifying classes.

HOT SHOW TIPS

READ THE PREMIUM OR PRIZE LIST : That includes the SHOW RULES. In this Omnibus, there are general rules that apply to all of the shows. Specific rules that apply to an individual show are on that show's page. Taking a few minutes to review these rules will prevent surprises.

READING OF THE RULES: The sheer size of the USEF Rule Book and the language used can be discouraging. However, the Dressage section of the Rules is a small portion of the whole. While it does not cover the rules that apply to every show, no matter the breed or discipline (the so called front of the book), the Dressage section does define our sport. If you do not do anything else, please read this document. It is available on line at www.usef.org. For your convenience, some excerpts are reprinted here, but you will be a more knowledgeable and therefore happier competitor if you know the rules.

COPY YOUR MEMBERSHIP CARDS: If you cannot find them, it is possible that you have not joined or renewed. Address the issue of which organizations to join BEFORE the show. Factors to consider include the ratings of the show(s) you will be attending and the award programs that might be appropriate for you and/or your horse. CDS Award pages cover CDS' award programs; USDF information can be found on their website (www.usdf.org) . CDS (*) only shows are the least needy in terms of memberships as only the Rider and Owner of the horse must be members of CDS.

USEF/USDF/CDS (***) shows require more memberships or non-member fees. USEF Show Pass fees are steep ($45 - PER SHOW!), USDF non member fees are $35, so joining is often the cost effective thing to do. Regardless of your memberships, you will be required to obtain a USDF Horse Identification Number in order to show at a (***) show, unless your horse is already Life Registered with USDF. The HID number is good for life and may be upgraded to Life Recording, should you decide to do so at a later date. The USDF (United States Dressage Federation) Horse Identification number is NOT to be confused with the USEF Horse Identification number.

If you are a CDS member, you are automatically a Group Member Organization (GMO) member of USDF. This number must be included on any entry, as it allows USDF to correctly track your participation BUT it does not allow you to qualify for USDF Horse of the Year, Regional Finals or other USDF award programs EXCEPT - and it is a HUGE exception - this USDF GMO membership will allow you to accumulate scores toward the USDF Rider Awards (Bronze, Silver and Gold Medals).

AMATEURS: If you wish to show as an Adult Amateur in dressage, you must have a USEF membership card that states that you are an Amateur. On the USEF membership application, there is a statement that you must sign attesting that you are an amateur according to the rules of USEF. In the dressage division, that amateur status will begin in the year in which you reach the age of 22. Amateur eligibility can be found in the USEF rulebook.

It is YOUR responsibility to determine which of the memberships and recordings are appropriate for you and your horse (and the owner of the horse). It is NOT FUN to receive scores that would have qualified you for awards or a championship show only to discover that the memberships and/or horse recordings were not in place. Please, obtain the appropriate proofs BEFORE you show!!! Check the websites: www.usdf.org; www.usef.org; www.california-dressage.org. Both USEF and USDF have "combo" printouts that will show all of the horse and owner numbers on one page.

COPY YOUR TEST: If you are entered in FREESTYLE classes, copy and submit the test that qualifies you to enter a freestyle class. You must have received a 60% in the highest test of the level (First through Fourth), or the appropriate FEI test.

ENTRY BLANK ISSUES THAT ARE SO IMPORTANT:
THE TRAINER signature is required - do not leave it blank. The comment "I don't have a trainer" does not apply. The show is required to obtain the signature of the Trainer, defined as the adult who is responsible for the care of the horse on the grounds. You must sign as Trainer if you are an adult and are responsible for the care of your horse. If your "trainer" is going to be on the grounds, have this individual

HOT SHOW TIPS

sign this space ONLY if he/she is responsible for the care of the horse. SOME ADULT must sign the trainer space, even if it is the same individual who has signed as rider or owner. A minor may not sign this line; the parent or actual trainer must sign.

THE COACH signature is not mandatory - UNLESS the coach receives remuneration for the assistance that is being given at the show.

Be aware that both the Trainer and the Coach must be members of USEF if the show is recognized by USEF. If they are not, non-member fees will apply. Your Coach is not required to sign unless he/she receives remuneration for this service.

THAT "Q" THING. "Q" refers to Great American Insurance/USDF Qualifying ONLY. A "Q" is not needed for tests that can lead to qualifying for the CDS Horse of the Year classes, CDS Junior Championships, or classes required by any other organization.

THE CLOSING DATE. This is the last date entries can be mailed/received without penalties. The show may close prior to this date if the show is full. Do not assume that mailing the entry before (or on) the entry closing date will mean that the entry will be accepted. Check carefully if the show requires a "postal mark" or a "received by" date.

Entry blanks are the main line of communication between the competitor and the competition managements. They are LEGAL DOCUMENTS between you and the show.

ON THE GROUNDS: If you have arranged for stabling, it is best to arrive in daytime as this will give you the opportunity to check the assigned stall for safety issues. Do not switch stalls without notifying the stable manager! Please post your emergency contact information on your horse's stall. It is also advised that you ask before plugging in any electrical appliances and it is mandatory that the aisles never be obstructed. Do not smoke or cook in the barns and keep your children and dogs under control. Many facilities do not allow dogs. USEF rules state that dogs are not permitted to be loose on competition grounds and must be on a leash or otherwise contained.

OFFICE: When you have attended to your horse's comfort and safety, it is time to go to the show office. If everything is in order, you will be given your packet with your horse's bridle number, program and any other handouts specific to the show. If you need to fill out affidavits or obtain memberships, be sure to allocate time for this, as office lines can be lengthy. Take any cards (or copies) that are needed and have your checkbook with you. Do not send a representative to the office unless you are sure your entry was absolutely clean. Your representative cannot provide any missing signatures, or attest to your missing memberships.

While you are at the office, check the most recent version of the ride times. Continue to do this throughout the course of the show.

ARENA RULES: First, remember that all rules apply from the minute you arrive on the grounds.

When it is time to warm your horse up for his test, the first thing you should do is check in with the arena steward. This individual will have the most recent schedule information. While you are warming up, your coach/trainer may instruct you from outside the arena. For any assistance that requires a person on foot (tack adjustment, etc.), leave the arena.

Please remember that the **ultimate responsibility for arriving at the competition arena on time is that of the competitor**. If you think there is any discrepancy between what the arena steward is telling you and what you believe to be your correct time, ask the steward to call the office and clarify.

HOT SHOW TIPS

Do not ever use the competition arenas for warm-up unless it is specifically stated that you may do so. You are not allowed to ride around the arena excessively prior to your test. Always check with the paddock steward before entering the area of the competition arena.

When you enter the competition area, tell the scribe your bridle number, as it is not always visible.

TACK CHECK/BIT CHECK/DRUG TESTING: You may be selected for a bit/tack check. Follow the instructions of the Technical Delegate and/or the member of the show's staff who has been authorized to do these checks. Bit checks are held after the test is completed and if there is anything about your horse's behavior that you think might be a problem for this procedure, tell the bit checker. They will find the safest way to remedy the situation. If the drug testers select your horse, follow their instructions. There are serious penalties for those who evade the drug testers. However, do tell them if you really need to go directly to another arena for another test. They will often work the drug test around your horse's performance times.

WHERE IS MY TEST? Tests cannot be handed out until a class has been finalized and posted. Be especially diligent if you are expecting your score to be registered as a USDF Qualifying score. The posted score will have "Q" next to it if it is properly recorded in the office. This is especially important if you have added the qualifying status after your original entry was sent. There are many disappointments each year when competitors have added a class, thinking that it would be USDF Qualifying, only to find out that the Qualifying status was not requested and the appropriate fees have not been paid. **Check your posted scores!**

SCRATCHES – REFUNDS – EXPECTATIONS - DISAPPOINTMENTS Unfortunately, competitors sometimes have to cancel. Each show sets its own refund policy; read that policy before you enter the show. A Veterinary or Doctor's excuse may suffice for a full or partial refund, BUT IT IS NOT GUARANTEED. Shows set their schedule, number of arenas, number of judges, etc. on the day entries close. If you scratch after that date, you have essentially purchased time in the show. Stabling may be non-refundable.

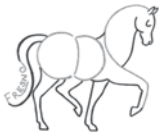
THE CHAPTERS



THE CHAPTERS

CDS CHAPTERS
The primary function of the Chapters is to carry out the activities of the Society on a local level, but each chapter is also represented on the State Board of Directors in two ways.

1. The Chapter Chair is considered to be a non-voting member of the State Board of Directors and is welcomed and encouraged to attend meetings of the State Board. It is particularly important for the Chapter Chair (or other Chapter representative) to attend the CDS Annual Meeting.

2. Chapters will be assigned to one of the Regions of CDS. Two of the Directors shall be elected by the Chapter Membership of the Southern Region. Two of the Directors shall be elected by the Chapter Membership of the Central Region. Two of the Directors shall be elected by the Chapter Membership of the Northern Region. The Executive Board shall assign Chapters to Regions as outlined in the Standing Rules.
Such assignments shall be published in Dressage Letters and the CDS Roster.

THE CHAPTERS AND THE CDS ANNUAL MEETING
Attendance at the Annual Meeting of the Society is strongly encouraged and is supported by travel assistance and a complimentary registration for each Chapter Chair or designated representative. Each Chapter is expected to make a brief oral report on the Chapter's activities and is further expected to submit the report in a written format for inclusion in Dressage Letters. One of the highlights of the Annual Meeting is the Silent Auction to benefit the CDS Scholarship Fund. Each Chapter is asked to contribute a basket to the Auction.

AMATEUR CLINICS

ADULT AMATEUR CLINIC STANDING RULES

The goal of the CDS Amateur Clinics is to provide an opportunity for amateurs to receive instruction from eminent clinicians who might not otherwise be available to them. Every effort is made to select clinicians who can effectively teach lower level as well as upper level riders. To ensure fairness, selection of amateur clinic participants is made by random draw among interested riders from the Chapters in each of the three CDS Regions. The Clinic consists of an evening lecture followed by two full days of riding clinic.

CHAPTER PARTICIPATION

Procedures for Chapters to Reserve Clinic Space

Procedures for Chapters to Reserve Clinic Space

- The clinic Organizer will contact the Chapter Chairs 4-6 months in advance of the scheduled clinic to begin the process for rider application and selection.
- a due date for receipt of checks will be set by the Organizer, typically 60 days before the clinic date.
- to reserve a Chapter's space in the clinic the Chapter Chair or Chapter Treasurer is required to send a check for $150.00 to the Central Office in accordance with the dates provided by the Organizer.
- Checks must be received by the deadline or the chapter will forfeit the spot. If a Chapter is sending a rider but not supporting the fee, the rider is responsible for the clinic fee and the check must be received by the organizer by the deadline.
- Any vacant spots will be filled on a first-come, first-served basis from the waiting list by the Clinic Organizer.
- Any Chapter or individual can place a name or request to be on the waiting list.

Rider Eligibility and Selection - The following pertains to all riders, whether chosen by their Chapter or those who submit their names to be included for the waiting list. Riders must be members in good standing of CDS and be Adult Amateurs 22 years or older. The same rider can't ride in two consecutive yearly clinics. The riders must be able to walk/trot/canter with proper diagonals and leads (Training Level minimally). The rider, to be eligible, must have a sound, fit and in good condition, familiar equine partner, presenting as a "horse/rider team". They must be actively riding demonstrated by current dressage lessons with their horse for the past 6 months. A borrowed or loaned horse just for the occasion is strongly discouraged. An application must be submitted.

Chapter/Additional Eligibility Requirements - chapters may adopt additional requirements for eligibility which will be in the Chapter's Standing Rules. These rules must be publicized in advance. Interested members will provide a written application stating interest in participating in the selection drawing and provide a one paragraph biography of horse (age, breed, level shown/ridden, accomplishments) and rider (three or four sentences about what the person wants to learn/goals, must include some background information on who they clinic/ train with, or the level they ride).

Chapter's Selection Procedures - Chapter selection is done by draw. Chapters should select their representative plus 1 to 2 alternates. Winners and alternates must be notified immediately after the drawing is completed. The Chapters must notify the Regional Organizers of the name(s) and contact information including telephone numbers, email address and CDS membership number of the chapter members selected in order. Failure to provide this information in a timely manner could result in a loss of space in the clinic. The final decision regarding lameness or safety will rest with a joint decision of the Clinician, Clinic Organizer, and/or any Committee/Board member present. By participation in the Clinic, riders and horse owners agree to abide by the decisions of this group. If it is determined to be in the best interest of the horse or rider, that horse/rider combination shall be excused from further participation in the riding portion of the Clinic.

MISSION:
The mission of these competitions is to provide an opportunity for all CDS Adult Amateur riders to qualify and compete against others of similar skills and experience. The regional nature of these shows will help to provide our membership with a developmental path for gaining competitive experience, promote excellence and increase awareness of and support for the Chapters.

GOALS :
#1 – For the Chapters: These regional or "mid" level adult amateur competitions are designed to promote and enhance awareness and participation by the CDS Chapters, provide State level support in funding and advertisement, and a chance to generate funds at the chapter level.
#2 – For the Riders: These competitions will provide a positive "introductory" show experience for some, which will hopefully be a stepping stone to bigger things, while offering the other more experienced amateur riders a warm-up for the Championship Show.
#3 – For the Whole Organization: These competitions are designed to bridge the gap between the local chapter shows with individual year end awards programs and the top caliber competition at the Annual CDS Championship Show.

A horse does not have to be registered with a breed registry to be registered with CDS. However, if your horse is registered with a breed registry, please submit a copy of the breed registry papers so that pedigree and breeder information can be recorded with CDS and considered official. Certain award programs require that a copy of breed registry papers be sent to CDS.

If you have purchased a CDS registered horse, please review CDS's transfer of ownership instructions.

If you lease a CDS registered horse, please submit a notarized Lease Recording Form.

Your horse's registration certificate will be sent after applying for CDS horse registration.

Once your horse's registration has been processed, online verification of horse registration will be available.

Registration fee is $10 per year, or $100 for lifetime.

BIOSECURITY TOOLKIT FOR EQUINE EVENTS

The Equine Herpes Virus-1 outbreak, associated with the Western National Cutting Horse Event in Ogden, UT in May 2011, increased awareness and need for biosecurity measures at equine events. During the outbreak, the California Department of Food and Agriculture, Animal Health Branch (CDFA AHB), received numerous inquiries and requests for guidance for keeping horses healthy at equine events from the equine industry stakeholders in the state.

The California Equine Medication Monitoring Program (EMMP) Advisory Committee represents a broad range of equine disciplines regulated by the program and is responsible for addressing concerns of the equine industry. With more than 1600 shows a year that register with the program, the need for biosecurity outreach was evident. Based on limited available biosecurity resources, the CDFA AHB received a formal request for development of a toolkit for equine events from the California EMMP Advisory Committee.

Biosecurity is a set of preventive measures designed to reduce the risks for introduction and transmission of an infectious disease agent. Infectious disease pathogens may be brought to and spread at an event premises by horses, people, domestic animals other than horses, vehicles, equipment, insects, ticks, birds, wildlife including rodents, feed, waste and water. Implementation of an equine event biosecurity plan will minimize or prevent the movement of diseases and pests on and off the event premises. Development and implementation of an equine event biosecurity plan is an essential responsibility of the equine event manager that is critical to protecting the equine industry.

The objective of this biosecurity toolkit is to provide equine event managers with resources to recognize potential disease risks at the event venue and develop a biosecurity and infectious disease control plan to protect the health of the competition/exhibition horses and the equine population. Each event and venue is unique; therefore, the toolkit provides guidance for the assessment and development of event-specific plans that address the specific identified disease risks of the event and venue.

MISSION STATEMENT

To provide the equine industry with resources and tools to assess venues and develop event-specific biosecurity and disease control plans for keeping horses healthy at equine events.

USEF Competition Name: Competition Division(s) and Rating(s):	USEF#:

This competition is recognized by USDF for 2018

USDF Membership Benefits: USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Member Guide* or the USDF website at www.usdf.org.

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.) Individuals cannot compete at a USEF-licensed/USDF-recognized competition with a USDF Education Membership.

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the $5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year ($90), 5-years ($360), or life ($1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year ($72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards, USDF Breeders Championship Series Finals and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM ($240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Education Membership (EM): A membership issued to an individual directly by USDF. This online education only membership expires 12 months after the date joined. This membership type does NOT allow an individual to compete at a USEF-licensed/USDF-recognized competition.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of $35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the $5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses ($35). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes or USDF Breeders Championship Series Finals. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of $80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR ($115) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete at USDF Breeders Championship Series Finals and Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.
